DataFlow Solutions Ltd (Provider), registered at 42 Silicon Dock, Dublin 2, Ireland

AND:

Colm Moynihan, on behalf of Snowflake EMEA (Customer), registered at One Burlington Plaza, Dublin 4, Ireland

1. RENEWAL

This Agreement renews the Enterprise Subscription (CTR-2024-001) for an additional twelve (12) months commencing 15 June 2025 through 14 June 2026.

2. PRICING

In recognition of the expanded team usage and increased data volumes, the renewal rate reflects a 12.5% increase:

- Previous annual rate: EUR 12,800.00
- Renewal rate: EUR 14,400.00
- Quarterly payment: EUR 3,600.00

The increase reflects:

- Additional 15 user seats (total now 50)
- Increased storage allocation (500GB to 2TB)
- Enhanced AI/ML features now included
- Dedicated infrastructure partition

3. NEW FEATURES INCLUDED

The following features, previously requiring separate add-ons, are now included in the Enterprise tier:

- Cortex AI integration for natural language querying
- Automated anomaly detection and alerting
- Custom ML model deployment (up to 10 models)
- Real-time collaboration workspace
- Advanced RBAC with attribute-based access control
- Compliance reporting dashboard (GDPR, SOX, HIPAA)

4. ENHANCED SLA

Updated service levels for the renewal period:

- Platform uptime: 99.95% (increased from 99.9%)
- Critical issue response: 2 hours (improved from 4 hours)
- Major issue response: 4 hours (improved from 8 hours)
- Dedicated on-call engineer (24/7)
- Monthly service review meetings

SLA credit schedule:

- Below 99.95%: 15% monthly credit
- Below 99.9%: 30% monthly credit
- Below 99.5%: 50% monthly credit

5. DATA SOVEREIGNTY

All Customer data shall be processed and stored exclusively within the European Economic Area. The Provider commits to:

- Primary data centre: AWS eu-west-1 (Ireland)
- Disaster recovery: AWS eu-central-1 (Frankfurt)
- No data transfer to third countries without explicit written consent
- Annual third-party audit of data residency compliance

6. INTELLECTUAL PROPERTY

- Customer retains full ownership of all uploaded data and derived analytics
- Provider retains ownership of platform, algorithms, and pre-trained models
- Custom models trained on Customer data are jointly owned

7. EXIT STRATEGY

Upon termination or non-renewal:

- Full data export in open formats (Parquet, CSV, JSON) within 14 days
- 60-day transition period with read-only access
- Destruction certification within 30 days of transition end
- Option to purchase extended archive access (EUR 500/month)

8. DISPUTE RESOLUTION

Step 1: Good faith negotiation between account managers (14 days)

Step 2: Escalation to senior leadership (14 days)

Step 3: Mediation via Centre for Effective Dispute Resolution (CEDR)
Step 4: Irish courts as final resort
